**NEWSLETTER NO: 17**

Dear Parents

**School Lunches**

We hope the children are all enjoying the new choices of school meals and would like to thank parents for adapting quickly to the new ordering system. We are still in the process of transferring the ordering onto Parentmail and will let you know when this is available.

**Visit from Mr Purdom**

Mr Purdom from Parkfields will be visiting us on **Wednesday 28<sup>th</sup> April** to chat with the Year 4 children and answer any questions they might have.

**Parents Evening**

We will be holding Parents Evening on **Wednesday 19<sup>th</sup> May**. This will be remotely again with a **10 minute** phone call consultation. Please look out for the Google forms survey, which will be sent out shortly, to request a preferred time slot (please tick at least 2 boxes and give your preference, if any, in the comments box). We will then allocate you an exact time within your preferred period.

Please be aware that your child's teacher may have to cut you short at the end of your time slot as she will have another parent waiting. When calls come through to you they will be from a withheld number. If you do not answer the call the teacher WILL NOT have time to call again. Should you have any specific questions which you would like the teacher to address, please add these to the section in the survey.

**Class Photographs**

We are using a new company for our class photos this year (Imago) and information has been sent out via Parentmail. Class photos will be taken on **Tuesday 25<sup>th</sup> May** and we will also be taking a group photo of the Year 4 leavers.

**Weather**

Can we please ask that all children still bring their coats into school every day. It might seem like a nice sunny day, but it has still been quite chilly out on the playground at break times.

As the weather does get warmer though, can we please remind parents that sun cream needs to be applied in the morning and not brought into school. Thank you.

Yours sincerely

Liz Noble
