

# Evidencing the use of the PE and Sport Premium funding: Action plan and Impact Review

## The DfE Vision for the Primary PE and Sport Premium

**ALL** pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

The funding has been provided to schools to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the funding to:

- develop or add to the PESSPA activities that your school already offer
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Schools need to ensure **impact** against the following 5 Key Indicators:

1. the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. the profile of PE, Sport and Physical Activity being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and Sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

It is a statutory requirement of Ofsted, under their Common Inspection Framework, to ensure that information on the use of the Primary PE and Sport Premium and the impact it has had on pupils PE and sport participation and attainment is available on the school website by **31st July 2021**. Schools also have a responsibility to publish on their website the % of children who achieve the expectation for swimming by the end of Year 6.

**\*In the case of any under-spend from 2019/2020 which has been carried over this must be used and published by 31<sup>st</sup> July 2021**

You should not use your funding to:

- employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of your core staffing budgets
- teach the minimum requirements of the national curriculum – including those specified for swimming
- fund capital expenditure

If any funding from the academic year 2019/2020 has been carried over you **MUST** complete the following section. Any carried over funding **MUST** be spent by 31<sup>st</sup> July 2021

This gives the children a chance to use equipment that requires coordination, different skill sets and sometimes team work.	£250 new tennis net	Whole school - impacts pupils' activity levels and behaviour through more focused physical activity and structured play times.	All children had the opportunity to use the play equipment and we will use the timetable to start the Autumn term again.
<b>Daily Morning/ activities</b>	Year 3 and 4 start every morning with a 5 minute run. ( weather dependant) Children start each PE lesson with a minimum 4 minute run.  Year 1 and 2 will also do a run in the afternoon play  Foundation to do yoga activities in their classroom at the end of the day for 10 minutes.		Running ability, increases fitness and stamina, challenge and determination. Wakes the children up and gets them ready to learn.  Yoga helps the children build muscle and increase flexibility as well as reducing stress and anxiety levels. It will help them develop concentration and focus and make a mind-body connection.	KS1 did not regularly achieve daily run but always started PE with this- KS2 did and enjoyed it; they have some good runners because of it. We have decided to add in a termly mile run which we will time and track progress. All children took part this summer term and the year 3 and 4 ran with the younger children [as an additional run] to encourage them.
<b>Paint markings on playground to encourage imaginative play.</b>	Give the children a path to follow on the playground with different kinds of travelling, jumping, hopping etc as well as the road being used with the toy vehicles.	£1500-£2000	The children will use the road markings when they are playing in the cars, when the children are just playing in the playground as well as the children using it when they run in the day.	Didn't happen due to Corona Virus as we did not have visitors or trades people on site – we will do this year.
