Pupils starting school September 2022

Children born between 01/09/17 and 31/08/18 are due to start school in September 2022. Legislation requires parents to apply through their home local authority. Central Bedfordshire recommends you apply on-line, however paper application forms are available should you need them. www.centralbedfordshire.gov.uk/admissions

The application Deadline is 15th January 2022

As you are aware Chalton Lower School offers temporary places to children the term after their fourth birthday for the Spring and Summer Terms.

If you know anyone who has a child in this age range please do not hesitate to recommend us to them. We are always happy to show prospective parents around the school.

Yours sincerely
