Dear Parents

Sex and Relationships Education

Sex and Relationships Education (SRE) is firmly rooted in the Personal Social Health Education framework and is designed to help pupils develop the skills and understanding they need to live confident, healthy and independent lives.

In line with SRE guidance, we will be teaching age appropriate terminology, which includes the correct names for parts of the body. This also supports the safeguarding work of the school.

A copy of the school policy and SRE guidance is available from the School Office.

Yours sincerely

Miss Liz Noble
