Dear Parents

### Stars of the Week

'Stars' for last week were: **Emeralds and Amethysts: Eden**  
**Rubies and Sapphires: Ava**  
**Diamonds: Monty**

### Request from Miss Oliver

Miss Oliver has asked if anyone is able to venture out and find a couple of stones, pebbles or rocks that are just a tad smaller than the palm of your hand (adults). The Year 1/2 Class will be using these to draw and paint on in their topic 'Natural Art' on Thursday.

### Year 1/2 Topic Day - Chembakolli

The Year 1/2 Class have been comparing and discussing the differences between Chembakolli (a village in India) and England. To complete their topic, on **Friday 11<sup>th</sup> February**, they will be having a special day where they will take part in activities such as:

Making and comparing food; Traditional dancing; Painting; Looking at the clothes worn.

Your child is more than welcome to come to school dressed in clothes from either culture.

More details will be sent home in your child's book bag.

Yours sincerely

Miss Noble  
Headteacher
