Dear Parents

Welcome back to the Spring Term of 2022. We do hope you enjoyed the Christmas break with your children.

Message from our Chair of Governors – Jon Chapman

It is with a sad heart I must inform you that Miss Noble will be retiring from her position as Head Teacher with us at Chalton Lower school.

Miss Noble has worked tirelessly for many years to make our school the successful, happy and caring small school that we know and love, in an environment when many small schools have not been able to cope.

We will all miss her as she is the heart and soul of our small school, but I understand that it is now time for her to put herself and family first for a change, and we wish her all the very best in her retirement.

Miss Noble will be with us until the end of July to give us time to find a replacement for this most important role.

Luton Town Community Trust – Toy Appeal

Luton Town Community Trust worked with some children from Chalton before Christmas to help raise awareness of those in need. The children ran a toy appeal for the Luton And Dunstable Hospital and were delighted to receive so many lovely donations from our families. Please see the attached photo and extract from their Facebook page.

Plastic Bottles – Year 3/4

Miss Mudd has asked if the children can please bring in any empty plastic bottles they have at home for a classroom activity next week. They can be any plastic bottle i.e water, squash, coke etc. Any size, and as many as you have!

PBones

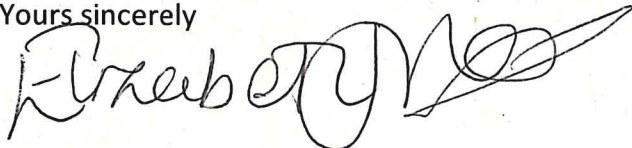

The children in Year 3/4 experienced their first PBone (plastic trombone) lesson today and thoroughly enjoyed it! We may have a few budding musicians in the making 🎺. They will continue these lessons during the term and we will send you some photos/videos when they have gained more confidence.

Caythorpe residential trip - Year 4

The final payment of £25 for Caythorpe is now due. Please ensure that you make any outstanding payments as soon as possible.

There will be a zoom call arranged on **20th January 2022 at 5.30pm** with a meeting regarding arrangements for Caythorpe. We will send details out by email shortly.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Miss Noble', with a long, sweeping flourish extending to the right.
