Summer Reading Challenge

The Summer Reading Challenge is an annual challenge run jointly by The Reading Agency and public libraries. This year the theme is **Gadgeteers**, with a science and engineering themed challenge, supported by the Science Museum.

Children are encouraged to read whatever they like for the challenge, recognising the importance of reading for pleasure in increasing empathy and improving well-being, as well as in children's educational success.

The Challenge

- ❖ Children must be members of the library service. **Join the library** [here](#) or go to your local library.
- ❖ The challenge invites children to read any six library books or more during the summer holidays.
- ❖ Families can sign up for the challenge at any library, at any stage in the summer from Friday 22 July.
- ❖ Children can borrow books or read our e-books, magazines and audiobooks available from our [Virtual Library](#)
- ❖ Children collect rewards for the books they read – a bookmark for reading 2 books; a pencil for reading 4 books; a certificate and a medal for reading 6 books.
- ❖ Children aged 4-16 completing the challenge (6 books) will be entered into a lucky dip at their library for the chance to win a tablet computer.

Loved by over 1 Million Children!

Events

- ❖ Science workshops run by **Sublime Science** will be taking place in libraries in August, with mixed demonstration and hands-on science – including gooey slime!
- ❖ The popular John Kirk who entertained us last year, returns with more online entertainment in the form of science Story Hunts. There are limited spaces and booking opens on 11 June at 12pm at: <https://linktr.ee/centralbedfordshirelibraries>
