

Literacy Activities For Diamonds Summer Term 2023

This leaflet contains 10 short Literacy homework activities for you to complete with your child. These activities cover different areas of Literacy such as letter formation, letter recognition, Level 2 and 3 sounds and blending 3 letter words together to read. These activities will enable your child to experience an experiential approach to Literacy and will build their confidence when writing and reading.

All of the activities link to the work your child will be completing in class.

Please complete one activity each week during the summer term and tick when you have completed each activity. Activities can be revisited if your child finds any area difficult. This work does not need to be recorded on paper and brought into school however if you have any problems or difficulties with a particular task, please do not hesitate to contact us in school.

Thank you
Miss Grahame and Mrs Jeffery
