see if you have visited any of these places. Perhaps you would like to visit one!

## Technologies

- Create a menu for a picnic for your favourite season of the year. What would you eat and where would you eat it?
- Design an outfit suitable for a particular type of weather. Note what each item of clothing is, what it could be made of and why it is suitable to wear! Think about the materials you would use.
- Design the ultimate umbrella (or another super weather object!) What features would it have? What would it look like? Why would it be better than any other?

## Expressive Arts

- Using media of your own choice, e.g. pen, paint or materials for collage, create a weather picture.
- Make a seasons picture that shows how a scene can change throughout our four seasons Spring, Summer, Autumn and Winter.
- Find a picture of one of the famous monuments in the UK, draw it or found out about it.

## Homework Choice Grid The UK and Weather

## Expressive Arts

- Prepare a weather forecast (like on TV) to share with your classmates. You can film it and share it with the class if you wish.
- Learn or make up a new song about the weather.
- Draw the Flag for one of the countries in the UK
- Design a new flag for the UK

## Mathematics

- Keep a weather record for a week e.g. highest temperature each day, amount of rainfall each day, wind strength each day and use this information to complete a bar graph in class.
- Find out what time the sun comes up and the sun sets. Write down these times for a week. Are the times always the same?

## Health and Wellbeing

Morris dance is a form of English folk dance; why not have a go at Morris dancing yourself?

## Outdoors

Go outdoors for a walk. Compare what it is like walking in a town or village or countryside. What things are the same or different? You could draw this or make a list.
