<p style="text-align: center;"><b>Science</b></p> <p style="text-align: center;"><b>British Wildlife</b></p> <p>Write a paragraph describing all the life (animals and plants) that you can find in a wild place. This might be a garden, park, woodland or anywhere else wild. You can draw diagrams and label them. If possible, identify the plants and animals you find and write their scientific name.  e.g. a cat's scientific name is: <i>Felis catus</i></p>	<p style="text-align: center;"><b>Homework Choice Grid</b></p> <p style="text-align: center;"><b>The Rainforest</b></p>	<p style="text-align: center;"><b>Expressive Arts</b></p> <p style="text-align: center;"><b>Go for a walk</b></p> <p>Collect natural items such as leaves and twigs. Can you make a piece of art with them? This could be a temporary piece that you could take a picture of, or a collage, or even a piece of weaving. Use your imagination to create something amazing.</p>
<p style="text-align: center;"><b>Technologies</b></p> <p style="text-align: center;"><b>What is this symbol?</b></p>  <p>Can you find out about this symbol? Where would you find it and what does it mean? Make a list of the 'items' that you have found that show this symbol and write about what it means and what they do.</p>		<p style="text-align: center;"><b>Expressive Arts</b></p> <p style="text-align: center;"><b>Create a mini Rainforest</b></p> <p>Using a shoe box or small box, can you create a rainforest? Think about the plants and animals in there. Could you include the different layers somehow?</p>
