

History

- Find out about the different tribes who have invaded and settled in Britain through the ages.
- You could create a timeline or use a map to see where they came from.

Out and About!

- Go to the woods and create a den.
- What did you create your den with?
- How many people fit into your den?

Literacy

- Create a poster advertising Great Britain to encourage people to settle and make their homes here.
Think about all the things that are fantastic about living in Great Britain and use your powers of persuasion!
- Create a news report discussing a settlement that has been found hidden ...
<https://www.bbc.co.uk/bitesize/articles/z883g7h#zpcnf82> Skara Brae (Year 4 will recognise this)

Technology and Science

- Create a settlement or house on Minecraft. Think about what you want it to have. How many floors? Will there be any animals? etc.

Homework Choice Grid Settlers

Geography

- Create a map of your own local area, what facilities do you have... a shop? doctors? 3G pitch? Park?

Expressive Arts

- Design a historical or modern settlement and label all the parts that you have included e.g trees, river, cave or houses, hospital, shops.
