

Chalton Lower School - PE and Sports Premium Action Plan

Academic Year:	2025-2026
Total Funding Allocation:	£16,520.00

Sports Premium Grant Background

The purpose of these funds is to extend and enrich the PE and Sports opportunities that can be offered in school. The funding is provided in two instalments each year, one in the Autumn Term and one in the Spring Term. It is part of the Olympic legacy, is government funded and will dovetail into all of our work to encourage healthy lifestyles. At Chalton Lower School the Governors and teachers are committed to ensure that this funding will be spent prudently to achieve maximum and sustainable impact. The DfE vision for Primary PE and Sport Premium is that “all pupils leaving primary school will be physically literate and have the knowledge, skills and motivation necessary to equip themselves for a healthy, active lifestyle and lifelong participation in physical activity and sport.”

To achieve self-sustaining improvement in the quality of PE and sport in our school we need to demonstrate how we are achieving this against the following indicators:

- The engagement of all pupils in regular physical activity - this will kick start healthy active lifestyles.
- The profile of PE and sport being raised across the whole school as a tool for whole school improvement.
- Increased confidence, knowledge and skills of all staff in teaching PE and sport.
- Broader experience of a range of sports and activities offered to all pupils.
- Increased participation in competitive sport.

Summary of Key Achievements from 2025-2026	Key Impact from 2025-2026
• We kept the Platinum Sports Mark. • Improved confidence in the children participating in holistic sports- yoga, dance and meditation and introduced Well Being Wednesdays. • We updated some of the equipment for PE. • Staff are successfully using Get Set 4 PE to help with lesson quality. • Staff had a range of CPD opportunities online and in person offered to them. • Continued positive relationships with sports coaches and built some new relationships. • Offered 3 sports clubs for children after school which were half termly. This included yoga, pilates and multi sports. • Continued to engage positively with Redborne School Sports Partnership.	• Maintaining the Platinum Sports Mark demonstrates the school's continued commitment to providing high-quality PE, sport and physical activity opportunities, recognising sustained excellence in provision. • Increased confidence and participation in holistic sports activities such as yoga, dance and meditation has supported children's physical, emotional and mental wellbeing. Wellbeing Wednesdays have helped pupils develop self-regulation skills, resilience and positive attitudes towards healthy lifestyles. • Updated PE equipment has enhanced the quality of lessons, enabled a wider range of activities to be delivered effectively and safely and increased pupil engagement and enjoyment in PE. • Consistent use of Get Set 4 PE has improved lesson planning, progression and assessment, leading to higher-quality teaching and learning experiences for pupils across the school.

• We offered a variety of opportunities for the children to try new or different sports including Parkour, Indian Dancing, Skipping. • We ordered and had installed a new canopy for the outside area which means that the children can access the outdoor area for sports activities in all types of weather. • The whole school took part in Walk to School Week and The Big Walk and Wheel.	• Professional development opportunities for staff have increased teacher confidence, knowledge and subject expertise in PE, resulting in improved delivery of lessons and greater sustainability of high-quality provision. • Strong partnerships with sports coaches and external providers have enriched the PE curriculum, provided pupils with access to specialist coaching and expanded opportunities for participation in a variety of sports and physical activities. Regular school sports clubs have increased participation in extracurricular sport, encouraged children to develop new skills and interests, and provided additional opportunities for physical activity beyond the school day.
--	---

Indicator 1 - Increased confidence, knowledge and skills of all staff in teaching PE and sport the profile of Physical Education and sport is raised across the school as a tool for whole school improvement.

Intent	Implementation	Allocated funding	Anticipated Impact and how sustainability will be achieved
All pupils to receive at least 2 hours taught PE a week.	• Timetabled PE sessions for all year groups. • Use Get Set 4 PE planning used to ensure teachers are confident in teaching the necessary skills. • A range of different sports are taught throughout the year.
