Statistics Complete the homework linked to rain in the rainforest. Use the sheet attached to this.	Newsreport Make a news report to tell the viewers what the weather in the Rainforest is like this week. This could be written or a video. Look at the link below to give you some examples. https://www.youtube.com/watch?v=7zEQo6N4WVk https://www.youtube.com/watch?v=j_ooyZO6KLw	Pick an animal Which lives in the rainforest. Create a Fact File to tell me: - what it looks like - what it eats - where it lives - a fun fact! Use the Sheet provided if you would like.
Science	Homework Choice Grid The Rainforest	
British Wildlife Write a paragraph describing all the life (animals and plants) that you can find in a wild place. This might be a garden, park, woodland or anywhere else wild. You can draw diagrams and label them. If possible, identify the plants and animals you find and write their scientific name. e.g. a cat's scientific name is: <i>Felis catus</i>		
Technologies	Expressive Arts	English
What is this symbol?  Can you find out about this symbol? Where would you find it and what does it mean? Make a list of the 'items' that you have found that show this symbol and write about what it means and what they do.	Create a mini Rainforest Using a shoe box or small box, can you create a rainforest? Think about the plants and animals in there. Could you include the different layers somehow?	Could you write a poem? Write it about a rainforest or jungle? It doesn't have to be very long but it would be lovely if you could decorate it with illustrations or a border.
